Description

A luxurious and well studied concept.

Good performance and luxury accommodations.

The Cranchi Z35, 11.5 metres in length and with a completely open cockpit, is the perfect example of how a sporty day cruiser can be both elegant and provide plenty of space for comfort.

The cockpit includes a C-shaped, sofa towards the stern that can be used for seating or as a sun deck. You could also add a L- shaped seat to the bow end. The kitchen and the operator's platform, equipped with a spacious surface to house the electronic equipment, are located starboard, opposite the seating area.

Below deck are two cabins: the owner's cabin is at bow and the guest cabin, stern. The square deck is in the centre, with the kitchen and seating area, that can be converted into a double bed. The bathroom is also equipped with a shower.

Comes with twin VOLVO PENTA D4-260 with about only 350 hours.
